Beatrice Awinjo

Beatrice is 42 years old. She is the 6th born out of six children. She dropped out of school in primary 2 class because she lacked school fees. In 1994 she got married to her husband Bosiano. He is a business man. They have nine children; Patrick 23 finished form 6 class but no money for further courses, Leonard 20 in form 4 class, Markline 19 in form 4 class, Benedicto 15 in form 2 class, Joseph 14 in form 2 class, Mary 12 in P.6 class, Silver 10 in P.4 class, Nosiata 5 and Bosiano 3. Life is hard for Beatrice. Her husband does not support her financially. She has no current business because she lacks startup capital. Her prayer is that when God opens the door and she gets support for a business, she will start selling fish. This she believes will change her story. Beatrice is fine according to her. Through the H4WI program, she believes that she will be able to do business, educate her children, buy goats and afford basic necessities for her family.
