Florence Abbo

Florence is 38 years old. She is the first born out of seven children. She never went to school because she lacked school fees. In 1993 she got married to her late husband. They had 5 children; Victoria 20 not married but has 1 child, Maziliana 16 in P.7 class, Lydia 13 in P.4 class and Denis 8 in nursery top class. In 2014 the husband died of AIDS. Florence has a man friend whom she has one child with, Peter 2 years. Her current business is of selling fish with a capital of 20,000 shillings. The profit she gets is not enough to cater for her family's basic necessities. Her prayer is that when God opens the door and she gets support for a business, she will expand her business for more profits. This she believes will change her story. Florence is HIV positive for 8 years now and she is on ARVs. Through the H4WI program she believes that she will be able to expand her business, educate her children, afford basic necessities for her family and buy animals.
