### **Current Business Update**

#### **AGAPE WOMEN'S PROJECT**

**Woman's Name: Margalen Alowo**

#### **Current photo**

**Margalen with her three goats she was able to purchase out of her sponsorship funds.**

#### **HEALTH**

Margalen has developed asthmatic signs recently due to regular cold conditions. She buys medicine from a nearby drug shop.

#### **THE HEALTH OF CHILDREN**

The children are fine according to her.

#### **BUSINESS**

Buying of goats.

#### **PROGRESS**

She has so far bought three goats and she has a plan of buying more with the remaining funds. When the goats multiply, she will exchange some for a cow and others she will sell.

#### **OTHER ACTIVITIES**

She plants maize and cassava for home use.

#### **BENEFITS TO FAMILY**

**Margalen has benefited in the following ways;**

- Bought three goats.
- She invested 50,000 shillings into mining marrum with the help of her son Peter. She sells 3 to 4 trips a week at 25,000 shillings each and makes a profit of 10,000 shillings per trip.
- Buys basic necessities for her family.
- Saves 5,000 shillings per week for buying more animals.
- Buys medicine for herself.

#### **FUTURE PLAN.**

She plans to buy more animals.

## **ASSESSMENT/SUSTAINABILITY PLAN**

According to Margalen the goats, business profits and savings will help her go on with the business her sponsorship ends.

## **CONCLUSION**

“Dear my friends of Suzanne Beck’s Group,

Thank you so much for sending me support through H4WI. May God bless you plus all your family members with a long life!.

Through your support I was able to buy three goats and I also save 5,000 shillings every week for buying more animals. Thank you so much for loving me. God used you to preserve my life because I now have hope that God will multiply whatever I have to sustain my family. I pray that Almighty God keeps you safe.

God bless you”

Thanks

Your friend Margalen .
