

Hope 4 Women International

Current Business Update

AGAPE WOMEN'S PROJECT

Woman's Name: Topista Aboth

Current photo

Topista with her business of eggs, turkeys, pigs and a goat she got out of her sponsorship money. With her children; Pius in blue T-shirt and Mary in blue sleeves.

HEALTH

Topista is fine according to her.

THE HEALTH OF CHILDREN

The children are fine according to her.

BUSINESS

Selling of fish but she changed to selling eggs because Corona restrictions affected her movements to the lake where she used to collect from. She plans to resume in the near future when things go well.

PROGRESS

Buys eggs for 120,000 shillings per week and makes a profit of 33,000 shillings.

OTHER ACTIVITIES

She plants maize, cassava, millet and beans for home use.

BENEFITS TO FAMILY

Topista has benefited in the following ways;

- ❖ Bought three turkeys for 210,000 shillings and one has five chicks. Each chick goes for 30,000 shillings
- ❖ Bought one goat.
- ❖ Used 100,000 shillings for renting land and planted cassava for sale
- ❖ Bought two pig.
- ❖ Saves 7,000 shillings per week for other family emergency needs.
- ❖ Buys basic necessities for her family with ease.

FUTURE PLAN.

She plans to repair her house, buy a cow and educate her children.

ASSESSMENT/SUSTAINABILITY PLAN

According to Topista, the business profits and savings will help her go on with her business when her sponsorship ends.

CONCLUSION

“Dear my friends of Suzanne Beck’s Group,

I’m happy to send you all my sincere greetings and appreciation. Thank you for

supporting me through H4WI. Your support to me was timely. It has revived my hope in life. Your support has boosted my business capital and brought life into my home. I was having no hope in life but now I have an egg business. I bought turkeys, a goat, and pigs. I save 10,000= shillings per week for other family emergency needs. Thank you so much for loving me and blessing me.

God bless you”

Bye for now.

Your friend Topista.
