Rosemary Awor

Rosemary was born April 3,1989. She is the 3rd born out of 4 children. She dropped out of school in primary 5 because her parents died. In 2010 she got married to her husband Michael. He is a pastor. They had 4 children. Agnes 13, Emmanuel 6, John 4 and Patrick 2. Rosemary has no current business because she lacks startup capital. Her prayer is that when God opens the door and she gets support for a business, she will start selling second hand clothes. This she believes will change her story. Rosemary is fine according to her. Through the H4WI program she believes that she will be able to pay school fees for her children, buy animals like goats and pigs and will afford basic necessities for her family with ease.
