Namwaki Beatrice

Beatrice is 47 years old. She is the 2nd born out of six children. She dropped out of school in primary seven because she lacked school fees. In 1990 she got married to her husband James. He is a peasant. Beatrice produced 8 children; Lonah 28 not married, Alan 26 married, Amole 24 married, Sahara 22 married, Temma 20 married, Centuron 18, Eunice 14 and Eva 10. Her current business is selling of tomatoes with a capital of 40,000 shillings. The profit she gets is not enough to sustain her family. Her prayer is that when God opens the door and she gets support for a business, she will expand her business for more profits. This she believes will change her story. She sleeps in an iron sheet house. Beatrice has headaches and teeth problems which have disturbed her for the last 6 years. She gets treatment from the nearby health center (pain killers). Through the H4WI program she believes that she will be able to expand her business, buy basic necessities for her family with ease, save for other family emergency needs and buy animals like goats and a cow.
