Rosemary Abbo

Rosemary was born July 15, 1972. She is the 11th born out of 12 children. She never went to school because her parents were poor. In 1993 she got married to her husband Yusuf. He is a peasant. They had 8 children; Milly 26, Isaac 23, Yosiah 21, Serayeri 20, George 17, David 14, Ronald 12 and Phina 11. Rosemary has no current business because she lacks startup capital. Her prayer is that when God opens the door and she gets support for a business, she will start selling fish and silver fish. This she believes will change her story. Rosemary is fine according to her. She sleeps in a grass thatched house. Through the H4WI program she believes that she will be able to support her children's education and her life will change.
