*Nelima Mary*

Mary is 56 years old. She is the 2<sup>nd</sup> born out of 7 children. She dropped out of school in primary 2 because she lacked school fees. In 1982 she got married to her late husband George. He was a peasant. They had 9 children; Metrine 35 married, Scovia 33 married, Juliet 28 married, Betty 26, Alex 24, Brain 18, Isaac 21 and Mercy 14 years. Her current business is selling of sorghum with a capital of 70,000 shillings. The profit she gets is not enough to sustain her family. Her prayer is that when God opens the door and she gets support for a business, she will expand her business for more profits. This she believes will change her story. She sleeps in an iron sheet house. Mary has a cough which has disturbed her for the last 10 years. She gets treatment from the nearby health center. Through the H4WI program she believes that she will be able to expand her business, afford basic necessities for her family with ease and save for other family emergency needs.
