Christine Alowo

Christine is 57 years old. She is the 9th born out of 12 children. She dropped out of school in primary 2 class because she lacked school fees. In 1974 she got married to her husband Alex. He was a peasant. They never had any children. Since Christine was unable to produce children, Alex mistreated her. She decided to separate from him in 2012. Since her separation life has been hard for her financially. Her current business is of selling cooked food with a capital of 50,000 shillings. The profit she gets is not enough to sustain the business. Her prayer is that when God opens the door and she gets support for a business, she will expand her business. This she believes will change her story. Christine is HIV positive for the last 6 years but she is on ARVs. Through the H4WI program she believes that he will be able to expand her business, buy basic necessities, buy goats and build a house for herself.
