Her prayer is that when God opens the door and she gets support for a business, she will expand her business for more profits. This she believes will change her story. She sleeps in a semi permanent house. Agnes has an ulcer which has disturbed her for the last 3 years. She gets treatment from the nearby health center. Through the H4WI program she believes that she will be able to expand her business, afford basic necessities for her family with ease and buy animals like goats and save some money for other family emergency needs.
