Namuluta Hadijah

Hadijah was born December 25th 1970. She is the 1st born out of 8 children. She dropped out of school in primary one because the parents wanted her to get married. In 1986 she got married to her husband Mugungu. They have seven children; Sulaiman 33, Wasike 30, Hussen 28, Masiga 24 and Were 20. Hadijah's current business is selling of charcoal with a capital of 50,000 shillings. The profit she gets is not enough to sustain her business. Her prayer is that when God opens the door and she gets support for a business, she will expand her business for more profits. Hadijah sleeps in a semi- permanent house. She has vein stain which has disturbed her for the last 2 years. She gets treatment from the nearby health center. Through the H4WI program she believes that she will be able to expand her business for more profits, buy basic necessities for her family with ease, save some money for other family needs and get proper medical treatment.
