Nosiata Adikin

Nosiata was born June 4, 1961. She is the 2nd born out of 6 children. She dropped out of school in primary 3 because her father died. In 1989 she got married to her late husband Joseph. He was a peasant. They didn't have any children. In 2019 her husband died of a stroke. Nosiata's current business is selling of silver fish with a capital of 25,000 shillings. The profit she gets is not enough to sustain her business. Her prayer is that when God opens the door and she gets support for a business, she will expand her business for more profits. This she believes will change her story. Nosiata has high blood pressure and joint pain which has disturbed her for the last 7 years. She sleeps in an iron sheet house. Through the H4WI program she believes that she will be able to expand her business, buy basic necessities for her family and get proper medical treatment for herself.
