Yerusa Amita

Yerusa is 45 years old. She is the 6th born out of 9 children. She dropped out of school in primary six because she lacked school fees. In 1991 she got married to her late husband Hilary. He was a mason. They produced 8 children; Benard 26 married with 3 children, Everline 22 married with 2 children, Christine 20 married, Julius 19, Kasimiri 16, Mary 13, Micheal 9 and Hilary 7. In 2014 her husband was poisoned and died. Yerusa's current business is selling of tomatoes and cabbages with a capital of 60,000 shillings. The profit she gets is not enough to sustain her business. Her prayer is that when God opens the door and she gets support for a business, she will expand her business for more profits. This she believes will change her story. Through the H4WI program she believes that she will be able to expand her business, buy basic necessities for her family, save for other family emergency needs and buy animals.
