Juliana Akoth

Juliana is 64 years old. She is the 3rd born out of seven children. She dropped out of school in primary 2 class because she lacked school fees. In 1970 she got married to her husband John. He is a peasant. They had seven children but two died; Rose 38 married with 5 children, Catherine 36 married with 3 children, James 34 married with 1 child, Matilda 32 not married and Grace 30 married with 1 child. Her husband is poor and life is financially hard. Juliana has no business because she lacks startup capital. Her prayer is that when God opens the door and she gets support for a business, she will start a business of buying goats. This she believes will change her story. Juliana is fine according to her. Through the H4WI program she believes that she will be able to do a business of goats, afford basic necessities for her family and build a house.
